

# Diabetes Telehealth Brown-Bag Lunch Series

**3<sup>rd</sup> Wednesday  
of each Month**

**12 – 1:00 p.m.  
(MST)**

## **Wednesday, September 20, 2006 New Therapies and Technologies in Diabetes: 2006 and Beyond James J. Chamberlain, MD**

Dr. Chamberlain practices medicine at the Utah Diabetes Center based at the University of Utah and is also a Clinical Instructor of Medicine in the Division of General Internal Medicine. Topics to be covered in his lecture include the management of type 1 and type 2 diabetes through insulin pump therapy and real-time glucose-sensing technologies, as well as newer glucose-lowering drugs including GLP-1 analogs and DPP-IV inhibitors.

**- CEUs offered for nurses (1.6 hours) and dietitians (1 hour) for all Diabetes Telehealth Programs -**

### ***Upcoming Presentations:***
